FOCAL POINT[®] BUSINESS COACHING

Pascack Valley Business Leaders MasterMinds Group Forming Now!

A mastermind group is a peer-to-peer mentoring group used to help members solve their problems with input and advice from the other group members. The concept was coined in 1925 by author Napoleon Hill in his book *The Law of Success*, and described in more detail in his 1937 book *Think and Grow Rich*. In his books, Hill discussed the idea of the Master Mind, which referred to two or more people coming together in harmony to solve problems. Cooperation through the use of mastermind groups was one of the "laws of success" which Hill allegedly studied from successful Americans including Henry Ford, Thomas

Edison, Alexander Graham Bell, Theodore Roosevelt, Andrew Carnegie, John D. Rockefeller and Charles M. Schwab. We are creating this MasterMinds Group for Pascack Valley Business Owners and Entrepreneurs who are interested in building a Trust Community of likeminded businesspeople who are interested in learning, growing and helping one another. We will meet once per month. Please contact Joe Hliboki at jhliboki@focalpointcoaching.com to learn more.
